Lessons around the world

My Planner

Te doy la bienvenida a Lessons Around the World!!!

Estoy muy emocionada de poder anticipar tu progreso avanzando y conquistando el inglés. He diseñado este planner para tí con distintas páginas que te ayudarán a planificar y registrar tu progreso semana a semana.

Para comenzar, en la sección **MY GOALS** podrás registrar tus metas para este año. Piensa en metas bien específicas y ponles un límite de tiempo. Por ejemplo: "Quiero terminar el curso completo de COMMUNICATION SKILLS en estos tres meses." A la derecha puedes escribir acciones prácticas para lograr tus metas. Por ejemplo: "Reservar los martes de 6 pm a 7 pm para estudiar inglés."

En la sección **MONTHLY PLANNER** podrás anotar todos los tiempos que separes para estudiar inglés y agendar tus clases en vivo. Es un calendario mensual para ti.

En la sección **MY PROGRESS** te recomiendo apuntar el número de clase que hayas hecho, su fecha y los puntos de aprendizaje que has logrado. No dejes de anotarlo, te sorprenderás de ver tantas cosas aprendidas!!!

Por último, te dejo un **diccionario personal**, donde te sugiero ir anotando todo el vocabulario que vayas aprendiendo. Lo separaremos por temas y subtemas para que puedas apuntarlo todo! Abajo de cada página de este "Mini Dictionary", donde dice "**IN CONTEXT**" te recomiendo que crees tus propias frases u oraciones con las palabras nuevas. Ponerlas en contexto es la mejor manera de aprenderlas. Prueba este consejo y verás cómo te ayuda a retener el nuevo vocabulario. Incluyo una página para cada una de las temáticas de vocabulario que sí o sí debes conocer. Luego te dejo una página para que utilices si encuentras categorías extra, y al final de todo te dejo otra página para que registres todos los **PHRASAL VERBS**.

Es un privilegio para mí poder ayudarte a mejorar tu aprendizaje.

Con motivación y esfuerzo pronto celebraremos tus logros.
